

# International Conference on Recent Trends in Geoscience Research and Applications 2025

**Belgrade, Serbia & virtual  
15-19 September 2025**

## **ORGANIZERS:**

Faculty of Civil Engineering, University of Belgrade  
Institute of Physics Belgrade, University of Belgrade

## **FIRST ANNOUNCEMENT**

Dear colleagues,

The Organizing Committee is pleased to inform you that the "International Conference on Recent Trends in Geoscience Research and Applications 2025" will be held at the Institute of Physics Belgrade in Belgrade, Serbia, and virtually on 15-19 September 2025.

The official meeting website is <https://geoscira.wixsite.com/2025>.

## **AIMS AND SCOPE**

Geoscience research and applications are of crucial interest in science and many areas of modern life. For this reason, exchanging knowledge in various relevant areas is essential for development in scientific, engineering, and programming activities. The conference aims to highlight the importance of joint research of experts in these fields and provide a platform for knowledge exchange.

The topics of this conference are:

- Atmospheric research
- Space weather
- Lithospheric research
- Geodesy
- Hydrological research
- Environmental research
- Natural hazards
- Geoinformation technologies

**We invite experts from all relevant fields to participate in this conference!**

## FINANCIAL SUPPORT

Financial assistance refers to a reduction in a registration fee. Detailed information about financial support is provided on the conference website.

The form for financial support is given on the conference website. The completed form should be sent to **BOTH** addresses: [sandrast@ipb.ac.rs](mailto:sandrast@ipb.ac.rs) and [sdragovic@vin.bg.ac.rs](mailto:sdragovic@vin.bg.ac.rs) until **10 May 2025**.

## PUBLICATIONS

Submission of abstracts is mandatory while submissions of contributed papers and journal articles are optional. Abstracts (one page) and contributed papers (six pages) of contributions should be sent to **BOTH** addresses: [sandrast@ipb.ac.rs](mailto:sandrast@ipb.ac.rs) and [sdragovic@vin.bg.ac.rs](mailto:sdragovic@vin.bg.ac.rs) until **10 May 2025** (abstracts) and **1 July 2025** (contributed papers). The templates for preparing abstracts and contributed papers are available on the conference website. The works will be published in the Book of Abstracts and Contributed Papers before the conference.

## Journals

The works presented at the International Conference on Recent Trends in Geoscience Research and Applications 2025 will be selected for several journals indexed in WoS and Scopus. Detailed information will be provided soon.

In all journals, the submitted manuscripts will be processed with the standards of regular research papers. Therefore, the titles and abstracts should differ substantially from those published in the Book of Abstracts and Contributed Papers.

### **LOCAL INFORMATION**

The conference will be held at the Institute of Physics Belgrade in Belgrade. The detailed information about the venue, accommodation, and transportation is available on the conference website.
