

**International Meeting on Data for Atomic and Molecular Processes in Plasmas:
Advances in Standards and Modelling,
November 12-15, 2024, Palić, Serbia**

Dear participants & colleagues,

The Scientific Organizing Committee of the **International Meeting on Data for Atomic and Molecular Processes in Plasmas: Advances in Standards and Modelling**, which will be held in period November 12-15, 2024, at the “[Hotel Prezident – Palić, wellness & spa](#)“, in [Palić](#), Serbia, in organization by the [Institute of Physics Belgrade](#), is pleased to invite you to participate in this international meeting. The meeting covers a wide range of topics from fundamental studies to applications. Please follow-up updated information on our official webpage <https://aspectro.ipb.ac.rs/2024/index.htm>. We are looking forward to welcoming you all in Serbia.

Early Registration for the international meeting *AsSpectro2024* is open!

For registration please follow the link: <https://aspectro.ipb.ac.rs/2024/registration.htm>.

Deadline for registration, abstracts and contributed papers submission: October 15, 2024

Please send the registration form and contributions via email to: aspectro.conf@gmail.com

We are pleased to announce that contributions based on selected research presented during this meeting, can be submitted for publication in two reputable international journals and will undergo rigorous review process:

- ❖ "[Contributions of the Astronomical Observatory Skalnaté Pleso \(CAOSP\)](#)", as a *Special Issue* - submission deadline December 15, 2024 and
- ❖ "[Advances in Space Research \(ASR\)](#)", as a *Special Issue* "Astrophys. Spect. & Data" - submission deadline January 31, 2025.

We welcome not only contributions from participants of this meeting, but also all original and high-quality manuscripts from scientists working on relevant topics. For further information, please visit our website <https://aspectro.ipb.ac.rs/2024/index.htm>. We look forward to receiving your contributions.

Please do not hesitate to contact us at aspectro.conf@gmail.com with any further questions.

Kind regards

On behalf of the Scientific Organizing Committee of the *AsSpectro2024*
