

# Promoting Serbian Scientific Community's Engagement with Synchrotron and Neutron Sources

## PSSN WORKSHOP

17. OCTOBER 2024.

### Venue

Vlatacom Institute, 5 Milutina Milankovica Blvd,  
Belgrade, Serbia

### Mission

The Workshop will bring together leading experts from the large-scale facilities and Serbian researchers in the fields of surface and materials science, solid state physics, AMO physics, nanoscience, and biomedical sciences to advance knowledge transfer on performing state-of-the-art experiments with advanced photon and neutron sources.

### Organizers

Dušan K. Božanić, Vinča Institute of Nuclear Sciences  
Bratislav Marinković, Institute of Physics Belgrade
