

HINT Mini Workshop – Tentative Schedule

 Date: July 22, 2025

 Venue: Faculty of Physics, University of Belgrade
(Blue Room – Room 665)

10:00 – 10:15

 Opening Remarks

10:15 – 11:00

Rodrigo Olea (Pontificia Universidad Católica de Valparaíso, Chile)
Talk Title: Conformal Renormalization, Holographic Entanglement
Entropy and Willmore Energy

11:00 – 11:45

Olivera Mišković (Pontificia Universidad Católica de Valparaíso, Chile)
Talk Title: Holographic Weyl Semimetal

11:45 – 12:05

 Coffee Break

12:05 – 12:50

Dragoljub Gočanin (Faculty of Physics, University of Belgrade)
Talk Title: Rotating Frames from Quantum Deformed Spacetime

12:50 – 13:15

Dušan Đorđević (Faculty of Physics, University of Belgrade)
Talk Title: Quantum AdS Bulk in Bottom-Up AdS/CFT

13:15 – 15:15

 Lunch and Networking Break

15:15 – 16:00

Vladimir Juričić (Universidad Técnica Federico Santa María, Chile)
Talk Title: Non-Hermitian Dirac Matter

16:00 – 16:25

Vladan Gecin (Institute of Physics Belgrade)
Talk Title: Diffusion and Instabilities in Large-N Holographic Fermi Liquids

16:25 – 18:00

 Coffee Break & Open Discussion
