

European Research Council

Established by the European Commission

Supporting top researchers  
from anywhere in the world

# European Research Council (ERC)

## Institute of Physics Belgrade

### PhD student positions

The positions are financed from a recently acquired ERC (European Research Council) project, which are the most prestigious grants awarded by European Union. The positions are in the group of Magdalena Djordjevic, with PhD students employed at the Institute of Physics Belgrade, working on the research in theoretical high energy physics (quark-gluon plasma). The following material should be sent to [magda@ipb.ac.rs](mailto:magda@ipb.ac.rs) :

- Cover letter
- Curriculum Vitae
- Certification Letter (listing all the courses and grades)
- Two recommendation letters

For more information see <http://mail.ipb.ac.rs/~magda/>
